#### SKIN TYPES

All skin types. In case of serious diabetes, request advice from a specialist.

## PROFESSIONAL FOOT TREATMENT

### PRODUCTS

### TREATMENT STEPS

#### Stainless Steel Spatula

Art. 01-011 S

4

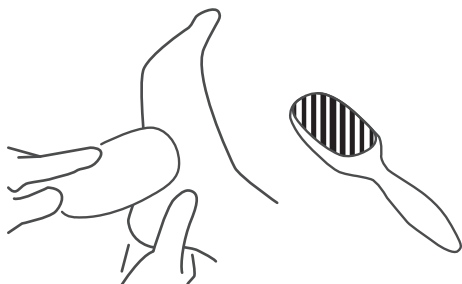

#### CALLOUSNESS REMOVAL

Remove a single patch (leave the others on the feet).

Remove the calloused skin using the scraper, then dry the foot.

#### Stainless Steel File

Art. 01-012 S

5

#### POLISHING

Apply the adhesive onto the brush. Polish quickly with enough pressure and speed, without stopping, until rolls of calloused skin start to detach.

Once this stage is finished, repeat stage 4.

6

#### RINSING

At the end of the treatment, rinse feet with water and dry thoroughly.

#### Intensive Repair Foot Cream

100ml tube - Art. 01-023

7

#### CREAM MASSAGE

Apply a small quantity of *Intensive Foot Repair Cream* and massage the entire foot gently until fully absorbed.

#### SKIN TYPES

All skin types. In case of serious diabetes, request advice from a specialist.

PROFESSIONAL FOOT TREATMENT

**WARNINGS**

CALLUSPEELING VEGETAL® is a keratolytic treatment for the removal of Callousness.

Read the warnings and instructions on the packaging carefully before use.

Wear gloves when handling the patches. Avoid contact with the eyes.

Apply only to calloused skin under the foot.

Do not apply to damaged or irritated skin, cuts, blisters, ulcers, dermatitis, hyperhidrosis or maceration.

For customers with specific conditions such as diabetic feet or pregnancy, it is advisable to seek the advice of a specialist before carrying out the treatment.

Stop use immediately if skin irritation occurs and rinse thoroughly with cold water. If irritation persists, consult a doctor.

Do not use on the skin at the same time as other products or medications.

Disposable product, do not reuse once opened.

Keep out of reach of children.

Treat only once a week.

Disinfect tools thoroughly after each treatment.

**IMPORTANT!**

**ATTENTION:** Non-compliance with these operating instructions and with the safety rules can make the use of the product dangerous. The manufacturer accepts no responsibility for damage to property or personal injury caused by non-observance of the safety instructions. Keep these instructions for use and make them available to anyone who uses the product.

**SKIN TYPES**

All skin types. In case of serious diabetes, request advice from a specialist.
